DETAILED ACTION

Election/Restrictions

1. Claim 1 allowable. The restriction requirement between species, as set forth in the Office action mailed on 7/16/04, has been reconsidered in view of the allowability of claims to the elected invention pursuant to MPEP § 821.04(a). **The restriction requirement is hereby withdrawn as to any claim that requires all the limitations of an allowable claim.** Claims 3 and 7, directed to a non-elected species are no longer withdrawn from consideration because the claim(s) requires all the limitations of an allowable claim.

In view of the above noted withdrawal of the restriction requirement, applicant is advised that if any claim presented in a continuation or divisional application is anticipated by, or includes all the limitations of, a claim that is allowable in the present application, such claim may be subject to provisional statutory and/or nonstatutory double patenting rejections over the claims of the instant application.

Once a restriction requirement is withdrawn, the provisions of 35 U.S.C. 121 are no longer applicable. See *In re Ziegler*, 443 F.2d 1211, 1215, 170 USPQ 129, 131-32 (CCPA 1971). See also MPEP § 804.01.

Allowable Subject Matter

2. Claims 1-13 are allowed.
3. The following is an examiner's statement of reasons for allowance: The prior art of record does not disclose the claimed firearm supporting apparatus suitable for use with shafts of varying diameters and lengths including an elongated support member having an end surface and a top surface, the end surface comprising a clamping surface and the top surface comprising a

firearm supporting surface which results in a surface support rather than a mere line contact support, the clamping surface and firearm supporting surface integral with the elongated support member; a collar; and an adjustable mechanism.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Michelle (Shelley) Clement whose telephone number is 571.272.6884. The examiner can normally be reached on Monday thru Thursday 9-5.
